

## Post-Congress Tour

27<sup>th</sup> September 2014  
Cologne

29<sup>th</sup> Congress of the *Rei Cretariae Romanae Fautores*

Xanten, Germany, 21<sup>st</sup> – 26<sup>th</sup> September 2014

Dear Fautores, friends and colleagues,

please take notice of the new information about the post-congress tour to Cologne.

### **1 Preliminary programme**

Departure from Xanten will be at about 7 am.

Arrival in Cologne is expected to be at 9 am. As the Museum opens at 10 am there will be time for a visit of the Cologne Cathedral (no guided tour).

At 10 am there will be a short welcoming at the Römisch-Germanisches Museum. Guided tours (in English, Italian and German) through the museum are planned.

The **Römisch-Germanisches Museum of Cologne** stands on the walls of a Roman villa in which the famous Dionysos mosaic was found. It accomodates exhibits of Roman and Early Medieval Cologne, amongst the reconstructed monumental Tomb of Poblcius and one of the world's most important collections of Roman glass. In several floors the development of the capital of the province Germania inferior, Colonia Claudia Ara Agrippinensium, is shown.

A highlight is the special exhibition „14 AD“ for the 2000th anniversary of the death of Augustus. The entry fee for this exhibition is included in the tour fee, but there will be no guided tour. You are of course free to walk through the exhibition on your own.

The lunch break will be hosted in a typical Cologne **brewery inn**.

After the lunchbreak guided tours through the excavations below the Cathedral and the Praetorium are on our list (tours may be arranged in English and German).

The **excavations below the Cathedral** comprise the early beginnings of the Christian community in Cologne during the Late Roman times as well as the medieval predecessor buildings of the Gothic Cathedral.

The **Praetorium**, the Roman City Hall, was the seat of the province governor. The tour will lead to the monumental walls of the 4<sup>th</sup> c. AD and the **Roman Sewer**, which is accessible on a length of 150m.

Return to Xanten is approximately at 6 pm. The return can be arranged flexibly. The buses will definitely return to Xanten and a stop at Düsseldorf can be arranged for those who wish to return to their hometowns from the airport in Düsseldorf.

Of course you have also the opportunity to stay in Cologne and Düsseldorf, if you want to extend your stay there. To enable you to organize your stay more flexible, we kindly advice you **to arrange your accomodation according to your plans**.

Please understand that we can't lower the fee for those who are not returning to Xanten as the expenses for the busses include both ways.
