

## **Future Congresses: 34th – 36th Congress**

At the Athens Congress 2022 the Fautores were invited to **Madrid** for our 34th Congress in **2026**. This invitation was presented digitally by Horacio González Cesteros (Universidad Complutense de Madrid) and was agreed upon by acclamation.

Invitations have also been extended to the Fautores for the two congresses after Madrid, both of which are unique in our long list of congresses.

For the 35th Congress in **2028** the Fautores have been invited to **Alexandria** by Aude Simony (Centre d'Etudes Alexandrines) and Mohamed Kenawi (University of Leicester). This congress will mark our first time on the Southern side of the Mediterranean.

Recently we have been invited by Daniele Malfitana (Università di Catania) to the location of our 28th Congress (**Catania** 2012) in **2030** for our 36th Congress. That will be the first time in our history that the Fautores Congress will be held in the same location twice.
